

Vendor Partner Program

**Bringing Together
Industry and Association**

We Invite You to Join Us

Dear Potential Vendor Partner:

For over 20 years, ACUIA has been dedicated to the professional practice of internal auditing in credit unions. Today we proudly serve over 600 members throughout the US and Canada.

In the past, ACUIA has offered a number of avenues for vendor partners to support our association. This year we continue to expand that relationship and are proud to invite you to join our *Vendor / Partner Program*. It offers you more access to members through conferences and meetings, advertising in our widely recognized *Audit Report* magazine, event sponsorships and speaking invitations throughout the year.

Like the precious metals of each levels' namesake, our commitment is to make the program more exclusive and valuable to you — our partner. You will find more benefits, more member access and more opportunities to promote your organization, all for a greater value.

We ask you to consider joining us at one of the four partner benefit levels as we continue to serve and support our members through partnerships with business organizations like yours.

Sincerely,

Dana McCranie
Chairman
