

# VENDOR SPONSOR PROGRAM

A group of four business professionals (three men and one woman) are gathered around a desk, looking at a laptop and documents. The woman is leaning over the desk, pointing at the laptop screen. The man on the left is resting his chin on his hand, looking at the laptop. The woman on the right is looking at the laptop. The man on the far right is looking at the woman on the right. They are all smiling and appear to be in a collaborative meeting.

# ***We Invite You to Join Us***

Dear Potential Vendor Sponsor:

For over 30 years now, the association founded as ACUIA and now known as ACUARP has been dedicated to the professional practice of internal auditing in credit unions. Today we proudly serve over 700 members across the nation and are continuing to expand membership with risk management and compliance professionals.

In the past, ACUARP has offered a number of avenues for vendor sponsors to support our association. This year we continue to expand that relationship and are proud to invite you to join our *Vendor / Sponsor Program*.

It offers you more access to members through conferences, meetings and webinars, advertising in our widely recognized *The Audit Report* magazine, event sponsorships and speaking invitations throughout the year.

Like the precious metals of each levels' namesake, our commitment is to make the program more exclusive and valuable to you — our sponsor. You will find more benefits, more member access and more opportunities to promote your organization, all for a greater value.

We ask you to consider joining us at one of the four sponsor benefit levels as we continue to serve and support our members through relationships with business organizations like yours.

Sincerely,

Margaret Chamberlain  
Chairwoman
